

Sacred Heart
FALL FESTIVAL
2011

70th Annual Fall Festival Updates:

We are still in need of parent volunteers to staff our booths, both class and non-class booths. Shifts needing support are 2-5pm and 5-close. Please first contact your class room parents to help in those booths; once all class booths are staffed, please contact Alison Carroll (amccrn@gmail.com or 359-7717) for shift placement. Remember, any family member over the age of 18 can work on your behalf and your family gets credit for the hours. A high school student can also work provided there is someone over the age of 18 working in the booth. Please bring your wine, soda, and water donations to the office any time. If donating wine, please indicate your family's name on the bottle so that you receive credit. We would love if each family could donate either 1 case of water or 1 case of soda (any kind). The bake sale is on! For those willing to donate their special treats, please turn those fabulous baked goods in on Friday or Saturday morning. You can receive up to a max of two family service hours for your wine and baked good donations (these hours are in addition to the 3 required hours during the festival).

Fall Festival Entertainment:

All the usual events will take place Saturday afternoon – Hula Hoop, Lip Sync, and Live Music! We are still finalizing the timeline for all events and will be sure to publicize as soon as possible. Please continue to submit your hula hoop and lip sync entries to Geena Lee (gkenzielee@yahoo.com). Deadline for all entries is Friday, Sept. 23.

Gratitude & Appreciation for you:

These events are only possible through the dedication, commitment and support from all of you. Thanks so much your continued support. We are truly looking forward to a great day as we celebrate the 70th Annual SHS Fall Festival. If you have questions for the committee, please send them to shpsfallfestival@gmail.com.
