SPARKS' NOTES

Theresa Sparks, Principal

Dear Parents,

What a lovely start to school we have had! The students have been so friendly with all of our new families and the new teachers are feeling right at home. I hope that your children are coming home happy because they sure seem like they are comfortable at school.

I had to miss our first assembly last week but this week we had our first full assembly and we had a great surprise for the students. With the persistence of last year's Spirit and Sport Student Body Officer, Jack Parsh, we were able to find and purchase a new mascot costume for our school. It is a great panther with bright green eyes and fearsome mouth. The kids went crazy and are excited to enter the contest to name the mascot. We could even have a parent division for naming the Panther so if you have an idea be sure to jot it down and turn it in at the office. The Student Council is working out the details of the contest but we hope to name our new mascot soon. (Right off there were many suggestions of the name "Bob") But, we would love your input! I am looking forward to seeing you all at Back To School Night. We will start promptly at 6:30 and do our very best to end at 8:00. Thank you all for your continued positive support. I am truly grateful.

Theresa Sparks

ITBS Testing.... Sept. 19-23

We'll be conducting a standardized test (ITBS) of all students in 2nd-8th grades

Your child(ren)'s attendance throughout these days is very important. Please make sure your child(ren) are in attendance for the complete week of standardized testing.

It's important to appreciate that these tests are not used to measure academic achievement within our curriculum.

The purpose of the ITBS program is diagnostic only; identifying and evaluating student learning needs. Results from the ITBS are analyzed by our teachers, who use these assessments to help them in planning appropriate curriculum and instruction for students. The ITBS has a mixture of questions covering key information from the prior school year, in addition to introductory information from the current school year, and even checks information not yet covered.
