Sparks' Notes . . .

Theresa Sparks

Dear Parents,

The New Year is upon us! I am looking forward to 2011 for so many reasons. A big one is that we are finally settling into our new school. We have had a few challenges with the transition from our old school to our new school but I think we are working out the bugs and starting to feel at home. I hope that you are beginning to feel that way as well. The teachers have done a fabulous job of keeping the students focused on learning and now my attention can be turned more toward curriculum and the students. I look forward to that change.

In my family, 2011 will be a banner year. Our youngest will be graduating high school and heading off to a college yet to be named. Our oldest is getting married in July. My sweet Dad will turn 80. And with any luck at all, our middle child will graduate college. My husband and I also will be celebrating our 25th anniversary. Thinking about all of these major milestones kind of takes my breath away! But these milestones are just a normal part of life and the reason we have that big New Year's Eve celebration every year. We celebrate all that went well (and not so well) in the past year and all we have to look forward to in the coming year.

At Sacred Heart we are looking forward to some exciting events in the coming months. On January 30th we will host our annual Open House beginning with a special Liturgy at the 9:30 Mass. Following Mass we will have the school open for our current families as well as prospective families. It is a time for us to showcase our good work here. I hope you will attend and be welcoming to all who may be interested in attending Sacred Heart. Some of our diocesan Catholic schools are really struggling with enrollment and we are blessed to have a full school. We would like for that to continue and your goodwill goes a long way.

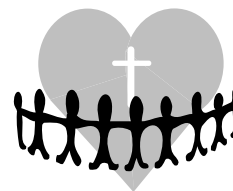

In February we will be returning to the tradition of the Family Spaghetti Feed and Bingo Night. This is a fun family event and a real treat for everyone, so mark your calendars for February 5th. And then on March 12th, we will host the annual Crab Feed. If you haven't been before you are really missing out on a fun evening. This year we will be adding a few auction items to the event and hope for a record-breaking crowd. Add that evening to your calendars as well. The first week in April brings the Missoula Theatre back to Sacred Heart and that is always a big hit with the students. Start thinking about participating if you haven't been able to in the past.

Indeed there is so much to anticipate. I hope the New Year brings many blessings to you and your family!

God bless,
