**SPARKS' NOTES**

Theresa Sparks, Principal

Dear Parents,

It seems nearly impossible that our first year of school in the new building is almost over. Each year really does go faster than the one before it. This 8<sup>th</sup> grade class will be remembered as the first graduating class from the "new campus". They have been patient with us as we experimented with how to best use our new facility. They told us when things worked and when they didn't. At all times they were good sports and great examples to the younger students. There are 30 students graduating, 19 girls and 11 boys. There will be 15 students attending Christian Brothers, 3 gentlemen going to Jesuit, 9 young ladies going to St. Francis, one student attending Kennedy High, one student attending Sheldon, and one traveling to St. Mary of Stockton. Out of the 30 students, twenty-three of them started at Sacred Heart when they were in Kindergarten. This year there are 18 students who are the last in their family to attend school here. Someday perhaps their children will!

As these students move on to the next leg of their journey the faculty and I wish them well. We have great faith that they have been well prepared for the next steps. We know that the foundation has been laid for them to continue developing into the conscientious, compassionate adults we want them to become. We will miss them but we hope they know they are always welcome here and that they will always be remembered as a very special group of young people. Godspeed 8<sup>th</sup> grade!

Theresa Sparks
